

HOSTILE ENVIRONMENT AWARENESS TRAINING APRIL 2023 PUNE, INDIA

ABOUT THE COURSE

This is a 5-day course that will cover principles and practical application of risk management, personal security, team security, and safety issues. It is a must for all managers, volunteers, and professionals who desire to engage with the Government, UN agencies, NGOs, Red Cross, and other humanitarian organizations in the humanitarian sector. Given the world's prevailing security environment, the course's contents are relevant to individuals engaged in different sectors. To attend this course one need not necessarily be performing a security-related function.
